STRUCTURE FIRE – CITY OF INGLEWOOD

On July 26, 2002, at 5:33 p.m., Fire Department personnel responded to a structure fire at 10218 Woodworth Avenue, Inglewood. Upon arrival at the scene, they found two vehicles on fire in the carport. Personnel had to make forced entry through security gates into the complex to gain entry into the carport. Two juveniles playing with a lighter and matches was the cause of this fire.

Two firefighters sustained second degree burns to their knuckles and hands. They were treated and released from the hospital.

The structure had no smoke detectors and no sprinklers. The dollar loss to the structure is estimated at \$10,000 and \$4,500 loss to the contents.
